## Kamp-A-Lott Board Summary August 13th

New officers for the year were officially approved. Committee work will continue on updating the rules and regulations and the deed restrictions. Two new owners volunteered to be part of the committee. Elizabeth Seymour offered to draft an official procedure for property transfers to be established for membership to consistently follow. Pool buoys were donated by Bill Heartman. Several open comments from members were discussed. The Social Committee has asked for support at planned activities. Fundraisers are used for entertainment as well as camp upgrades. Reminder for owners to observe the handicap parking signs at the entrance to camp.

In order to assist the recording of the meeting, the board meeting protocol will be more closely followed. Owners, who wish to discuss a topic during open comments, must sign in prior to the meeting with their full name and lot number, listing the topic of discussion. Meetings are only open to members in good standing. Article 3 Section 2 defines good standing as current in monthly lot assessments owing no more than the current monthly assessment. Members should refrain from cross conversations and shouting out personal opinions. Members must refrain from verbal attacks on other members. After new business the board will address the topic sign in sheet. If you wish to comment, please stand, once you have been recognized, step forward and state your name and lot number. All comments will be limited to 2 minutes. Thank you in advance for respecting the protocol of the board meetings.
